Verbal Description

Elongated U Strap handle complete w/ joiner piece. Top of handle is smooth, but it is not totally flat - there are some lumps. Sides have been cut, but are rounded. Underside has been smoothed over, but it is still possible to see where some light mat marks were. There is also a joiner piece - Finger marks are still visible on it. It looks as if a lump of fairly dry clay had been pushed in & smoothed over. No evidence of burning. Firing core is centralized. No pit, slip, or other decoration.
